BOOKING ACCESS

The image shows the homepage of Marbella Golf Times. At the top left is the logo 'Marbella Golf Times' with the subtitle 'Costa del Sol Tee Times'. To the right are search fields for 'Search Tee Times' and language selection ('EN'), along with 'Log In' and 'Sign Up' buttons. A central call-to-action button says 'Start Your Search'. Below the search area is a message about the service's mission to curate tee times across the Costa del Sol. A large green button at the bottom encourages users to 'Use My Current Location'.

## Our Mission

To deliver an exceptional golf booking experience that matches the world-class quality of Costa del Sol's finest courses, while driving high-value international visitors to our partner golf clubs.

# Platform Features

## Real-Time Availability

Direct API integration with Golfmanager and TeeOne systems for live tee time availability.

## Multi-Language Support

Full localization in English, Spanish, Danish, Swedish, and Russian.

## Geolocation Search

Visitors find courses near their hotel, sorted by distance for convenience.

## Premium Course Profiles

Beautiful pages with photos, reviews, weather data, and facility information.

The screenshot shows the Marbella Golf Times homepage. At the top, there's a navigation bar with the logo "Marbella Golf Times" and "Costa del Sol Tee Times", followed by "Search Tee Times", "EN", "Log In", and "Sign Up". Below the header is a large banner with the text "Your Personal Guide to Costa del Sol Golf". Underneath the banner, a message welcomes visitors to Marbella Golf Times, mentioning real-time availability and personal service. A central search box is labeled "Start Your Search" and includes options for "Use GPS" and "Select City", with a note about allowing location access. A green button says "Use My Current Location". The background of the page is a scenic view of a golf course with mountains and palm trees.

This screenshot is from the same Marbella Golf Times website, but it shows a different state of the search interface. The "Select City" field is now active, displaying a dropdown menu with the placeholder "Choose a Costa del Sol city". The rest of the page, including the banner and other navigation elements, remains the same as the previous screenshot.
